**Subject: Completion of consultation on health certificate of aquatic animals exported from Iran to Korea**

Dear Mr. Shahbaz Solbi,

On behalf of the National Fishery Products Quality Management Service (NFQS), I would like to express my gratitude to you for your cooperation in having consultation on health certificate of aquatic animals exported from Iran to Korea.

I inform you that the consultation on health certificate of aquatic animals exported from Iran to Korea is finally completed. The health certificate is applied to live aquatic animals—fish, shellfish, crustacean—, chilled/frozen shrimp, abalone and oyster which are shipped from 15 August 2019.

Please feel free to contact me should you have any inquiry on the matter.

Sincerely,

**Yang Jin-moon**
